▪ **Working Experience:**

CEO CANADA OPERATIONS & PARTNER

2017 - Present – Top Fishing – Premier Fishing Tours to Brazil

1619 Forest Drive Saskatoon, SK S7N 3G7 Phone: (306) 717 - 6674 Website: topfishing.ca

Luiz Augusto (Guto) Penteadó is partner and CEO of Top Fishing in Canada. Top Fishing – company headquartered in Brazil - has established its operations in 2014 and since then has been taking Brazilian fishermen to Canada. In the end of 2017, Guto established and started operations of Top Fishing Canada taking Canadian fisherman to Brazil, more specifically to the wild areas of the Amazon Rain Forest and Pantanal – The world’s largest tropical wetland area and the world’s densest concentration of animal life. Nowadays, Top Fishing has sales representatives in the provinces of Saskatchewan, Alberta, Ontario and counting.

AD AGENCY OWNER & OPERATOR

2016 - Present – CanaCanadian Communications

1619 Forest Drive Saskatoon, SK S7N 3G7 Phone: (306) 717 - 6674 Website: canacanadian.com

Since 2016 Luiz Augusto (Guto) Penteadó has been running his own full-service communications agency, where he has written and designed a variety of advertising, promotional material pieces and websites. During this time, he has also developed branding, identity and marketing strategies for several companies in Canada and in the United States. His wide range of past and current clients includes public and private sectors, such as University of Saskatchewan, PMP Mining Equipment Manufacturer, City of Saskatoon, Future Now Enterprises, Inc., Maple Leaf Foods, World Ice Cross League, History Television Reality Show Star Ag Pilot, Western Canadian Arabian Horse Breeders Association, FN Energy – Natural Gas Supplier, Skyhigh Cannabis Growers, FNTV News, among many others.

COMMUNICATIONS MANAGER

2006 - 2016 - PM&P - Prairie Machine & Parts MFG. Partnership

3311 Millar Avenue Saskatoon, SK S7K 5Y5 Phone: (306) 933 - 4812 Website: pmparts.com

President: Mr. Murray Popplewell

Prairie Machine & Parts is a Canadian company internationally recognized as a leading manufacturer of heavy industrial machinery and machine components for the mining industry worldwide.

Some of PM&P's clients are Cameco, Potash Corp, Agrium, SaskPower and others.

At PM&P, I was in charge of company image, communications, marketing strategies, ad campaigns, promotional material, website development and all tasks related to the communication field as outlined below.

Advertising:

Creation of all corporate and product media, ad campaigns including magazine, newspaper, flyers and brochures. Development of corporate and products image, logos and slogans.

Marketing/Promotional Material:

Development of communication and marketing strategies to increase product sales and expand the company's presence in the global mining sector. Development and maintenance of the company's website. Design of promotional material for customers and trade shows. Development of animated and slide presentations for the company sales team and production of promotional videos. Creation and design of equipment signage and operation manuals.

Internal Communications:

Editing and publishing of the company newsletter and employee handbook. Design of internal communication signs, posters, stationary and annual year-end staff party promotional material.

Media Relations:

Press release writing, quotation and media buying to all media sectors such as newspapers, magazines, video production companies, radio, TV, print shops and others.

COMMUNICATIONS MANAGER

2006 - 2016 - Rae-Dawn Arabians

Box 5A, RR#5 Saskatoon, SK S7K 3J8 Phone: (306) 373-6346 Website: rdarabians.com

Owner: Mr. Murray Popplewell

I was in charge of all Arabian show horse promotions, including advertising in American and Canadian magazines, Arabian horses regional newsletters, specialized websites, regional and national Arabian horses directories and other publications. Video production, editing and distribution of horses and farm movies and sales video clips. Design of logos, stationary, promotional material and displays for exhibition booths. Development and maintenance of the company's website and social media pages.

GRAPHIC DESIGNER | DESKTOP PUBLISHER

2006 - Page One Digital

622A Circle Drive East Saskatoon, SK S7K 0T9 Phone: (306) 244-8085

Supervisor: Mr. Cam Smith / Ms. Carmem Campbell

I developed practical experience in the Canadian print and press industry at Page One where I worked as a graphic designer and desktop publisher.

ADVERTISING AND MARKETING CONSULTANT

2003 - 2006 - B.C. Consulting Services

1020 - 8th Street E. Saskatoon, SK S7H 0R9 Phone: (306) 241 - 2117 and 651 - 7112

Principal: Mr. Tom Porter

I wrote and designed advertising pieces for the following clients: Bogend Broadband high speed Internet, Maple Leaf Foods, Pitch Rippers Soccer Club, STEP - Saskatchewan Trade and Export Partnership, City of Saskatoon, and University of Saskatchewan - ranging from displays, brochures, flyers, and t-shirts to economic assessment reports, newspaper ads, and radio spots.

ADVERTISING AND MARKETING EXECUTIVE DIRECTOR

1998 - 2002 - Lojas Veneza Furniture, Household Goods, and Appliances Retail Chain

Head Office: Av. Pedro Manvailer, 595 Amambai - MS - Brazil Phone: 55 (67) 3481-1324

President: Mr. Jandir Guerra

During five years as the Advertising and Marketing Director, I was in charge of company image, marketing, public relations, ad campaigns, store facade and interior product display, and all tasks related to the corporate communications for and among the six Brazilian company stores as outlined below.

Marketing:

Involved in company annual growth planning and applied marketing strategies to increase sales and customer loyalty. Implemented marketing strategies that resulted in 20% sales increase (during five years) in a very competitive market. Research for potential locations to establish new stores. Product pricing supervision; sales promotions; creation and supervision of contests and other marketing strategies implemented to meet a high standard of service quality and consumer satisfaction.

Advertising:

Creation and approval of all company media and ad campaigns including TV, radio, billboard, magazine, newspaper, flyers and brochures. Creation and development of the company corporate image. Development and maintenance of company's website.

Sales Training/Human Resources:

Creation of sales and bonus motivation programs for store managers and sales personnel. Sales and customer relations training programs; annual staff conference, rewards and benefits program; editing and publishing of company newsletter and training course brochures.

▪ Computer Skills

I have several years of experience working with a variety of computer programs and applications which allow me to perform tasks ranging from graphic & website design, animations, copy writing, desktop publishing to movie production and editing.

The following programs, applications, social media and web browsers are currently used by me on a daily basis: Adobe Photoshop, Macromedia Dreamweaver, Macromedia Flash, Adobe Illustrator, CorelDraw, Adobe Acrobat Professional, Macromedia Fireworks, Apple Final Cut Pro, Microsoft Word, Quark Xpress, Power Point, Quick Time Player, Windows Media Player, MSN-Windows Live Messenger, Skype, Facebook, Twitter, Pinterest, You Tube, Vimeo, Google Plus, LinkedIn, Instagram, Mozilla Thunderbird, Microsoft Outlook Express, Internet Explorer, Mozilla FireFox, Safari, Google Chrome Netscape and others.

▪ Other Skills

I have taken on various activities which were developed through my ability and potential for creative work. My leadership skills and well organized manner helped me to promote several types of entertainment events such as school camps, tourist excursions, food and beverage festivals, musical concerts, and cultural events. I have also written political satire and travel articles for newspapers in Brazil and have published monthly newsletters for Brazilian associations and unions. I have coordinated political campaigns in Brazil, and I have worked as a language translator. My favorite hobbies are camping, fishing and hunting.

▪ **Travel Experience**

Whether for business, studies or pleasure, I have an extensive international travel experience. Through these several trips overseas, I have acquired cultural, geographical and professional knowledge of various countries & people. I have developed a strong sense of diplomacy and adaptability to new places and environments. I recognize and I'm sensitive to cultural differences.

▪ **Community Service**

ROTARY INTERNATIONAL

Website: www.rotary.org

I served as a member and president for the Rotary Club of Amambai-MS, district 4470 of the Rotary International since 1997, where I developed important social services for the local community. As a "Matching Grants" international projects coordinator, I planned and developed several projects for deprived communities. This brought to them benefits such as ambulances, buses, vans, computers, and other equipment worth over US\$ 200,000.00 in financial investments made by the Rotary Foundation. In 1998, I was selected by Rotary as the GSE - Group Study Exchange team leader in Mumbai, India. There I guided a group of professional people, organized and planned its studies, research and social work for Mumbai's community during the forty day excursion.
